

Attention Business Owners

Dear Business Owner / Manager:

'SEND THE BEST', is a group of volunteers who have gotten together to help raise funds to support the USA's World Inline Speed Skating Team. These funds are used for food, housing, transportation, entry fees, uniforms, Visa's, and other essentials in their travels to represent our country - for 2006 the World Championships will take place in Korea.

With your support, we can give these athletes the chance of a lifetime. Some may never be able to travel outside of the US without your help. Others will use this opportunity to springboard their skating careers and lives. Can we count on your support?

We are asking local businesses to sponsor our skaters by making a cash donation to SEND THE BEST. In return, your ad will be included in our 2006 Indoor National Championships program that will be distributed to every participant and spectator - that's 5000+ pairs of eyes daily during the period of July 16-22.

Dependent upon the amount of your donation, your ad may also be included in our 2007 Speed Skating calendar that reaches a National audience of over 1000 homes and businesses. And, a place on our website, www.sendthebest.org, which secures hundreds of hits weekly.

If you would like to help us send the best athletes to represent the USA in Korea, contact us at contact@sendthebest.org or by phone at () _____.

Thank You in advance for your support!
